Dear Parents and Caregivers,

Talent on show at school sports day

Clermont State School held its 2014 sport’s day yesterday and it certainly lived up to expectations. Attendance and participation, two critical factors in making a sport’s day (and life!) go well, were great. Every student present on the day competed in their events and tried their hardest. The sport’s day was all about participation but it was also our trials to see which students would participate in the Peak Downs Sub District Athletics Carnival next Monday. After having seen the talent on display, I am confident Clermont SS will again field a strong team to compete at Middlemount on Monday. This year we have also begun collecting records so that we can compare times, distances and heights in the future to our present day stars. In term 3 we will have list of records and their holders and that information will be on hand for future events. This will also be the case for swimming.

Every student on the day participated to the best of their abilities but there were several stand out efforts, including our girl and boy age champions. Below is a list the champions.

9 years
girl – Genevieve Poulus, boys – Max Klosterman
10 years
girl – Kalani Bates boys – Will Klosterman
                  Luke Callanan
11 years
girl – Sharon Gela  boy – Eeathen Francis
12 years
girl – Chloe Coghill boy – Joseph Callanan.
13 years
girl – Emma Harvey boy – Kieran Goetz
Information on who will be going to the subdistrict carnival and in what event will go home with students today.

Our overall house champions, by the narrowest of margins, was Armstrong. Well done kids! All that time and effort put in paid off.

A big thank you to our parents who came along, cheered on their children and were maybe even cheered on themselves, during the parent versus teacher race. Your contributions to the day help to make it really special for our students. A really big thank you to Peter Francis who brought a long power cable down from the hall to the oval so that we could use our PA for the first time. The PA made a big difference, so thanks Peter.

Thanks to our teachers for helping set-up, organise events and then pack-up at the end of the day. And well done Ms Arrowsmith for making it a really great day again. Can’t wait for the swimming carnival.

**Target behaviour for the week – leaving an area in the school, as we’d like to find it**

This week our target behaviour at school is leaving an area at school as we’ve found it, or better! Leaving areas in the school as we’d like to find them is a respect issue, and a very important one at that. It relates to all places around the school, the playground, eating areas as well as classrooms and areas where we may have specialist lessons. On parade I talked about the issue and students understood the target was based on respect for our school and everyone in it. Good luck boys and girls.

Yours in education

Attention Year 6/7 Parents!

Junior Secondary Information Evening

The Principal and staff of Clermont State High School warmly invite all parents and caregivers of students currently in Years 6 and 7 to attend an information evening to be held at our school on Wednesday 18 June from 6.00pm-7.00pm at the High School.

The transition from primary to secondary school is important in the lives of children and their families, and we want to help students and parents to minimise any anxiety about change.

We look forward to welcoming you to this event.

FLEXISCHOOL ORDERS for TUCKSHOP

CUT OFF TIME

The cut off time for tuckshop orders through flexischool will remain at **8:30am** on Mondays and Fridays.
SCHOOL HATS
WE HAVE MANY STUDENTS WHO ARE NOT BRINGING THEIR HATS TO SCHOOL.
PLEASE PARENTS MAKE SURE YOUR CHILD BRINGS THEIR HAT TO SCHOOL.

KINDY

The C&K kindergarten staff and parents have noticed an increase in the number of people parking in the C&K carpark who are not parents or carers of C&K students. Please remember, the carpark is for the parents of C&K students only. Any increase in traffic volume constitutes a safety risk to kindy parents and their children.
If you are a Clermont SS parent, please respect this space and drop-off and pick-up at the designated areas of the school, this also applies during the school day.

4/5T has had a busy term learning about space in Science and Technology. This week, the challenge was to design and construct our own Mars Rover Lander, substituting an egg for the Rover! Although each and every Lander was unique, their safety features were eggcellent and every egg survived the testing experience!
All the hard work done and now ready for ‘set down’!
“Set Down” was a great success.
