Hello Parents and caregivers,

This week brings to an end another great term and semester at Clermont State School. We’ve experienced sporting success in cross country, athletics, netball, touch footy and rugby. We’ve also seen our year three and five students compete with the best in Australia in NAPLAN. Our attendance rate this year is a full 2.6% higher than where it was at the same time last year, a fantastic effort and every child is better off for that improvement. It means students are there for key learning activities and also teachers are having to reteach content less. Both have a big impact on achievement in classrooms. While 2.6% may not seem like much, what it translates to is 127 less absences than at the same time last year. That’s a lot of students here more regularly.

Next term promises to be equally as exciting. We’ll have our NAPLAN results, Central Highlands Eisteddfod, district and regional athletics and state cross country. We will also trial a new way of delivering maths in our lower years. For some time we have noticed that we are seeing less ‘Ds’ and ‘Es’ which means more C+ students, which is positive. However, what we’re not seeing is a huge increase in students achieving A and Bs for maths and upper two bands for NAPLAN. With this in mind we are focusing on problem solving using the ‘Back to Front Maths’ program. We will stream our students in prep and year one into ability groups and have extra teachers and teacher aides on hand to deliver the curriculum. I’ll keep parents posted through the newsletter on how we’re progressing with this new strategy.

**Target behaviour for the week**

Our target behaviour for the week follows on directly from the target behaviour from last week. Last week it was ‘getting along’, this week it’s ‘getting along’, but also, ‘get your point across’. On parade we talked about getting along with one another but also making sure that your opinion has been heard. Below are some strategies we talked about on parade that can help.

* Practise saying it in your head first
* Pick a good time to say it (don’t interrupt)
* Use a friendly voice and speak clearly
* Stay on the topic
* Don’t get upset if people disagree with you, remember they also have a right to their opinion.

If we try these strategies, we’ll all go a long way to finishing the term positively.

Parent awards on parade

We often focus on students and teachers here at school when we talk about achievement. But the reality is, as the old saying goes, it takes a village to raise a child. In Clermont we have a wonderfully supportive community who help us to achieve the fantastic results that we do and I’d like to start recognising those people whenever we can. Clermont SS P&C supports the school with this recognition and to show its support, is willing to provide a $10 gift voucher per person from the Commercial Hotel. This week we recognise Mrs Judy Smith for her tireless efforts in before school reading and tuckshop, as well as Mr Terry Cook for preparing the long jump pits with new sand and removing some sizeable road kill from the front of the school. To both recipients this week, thanks.

We know we have plenty more generous and supportive parents to recognise, don’t worry we plan to get to them all! Thanks to those people and keep up the good work.

Attendance - the competition is over!

The final results are in ladies and gentleman and we have a winner for our class competition………. In first place we have 5/6J! The boys and girls in that class will now hold a spectacular class pizza party put on by Mrs Johnstone (thanks Mrs J!).

Our overall attendance rate at the moment is 93.7%. Our classes are trying really hard to get back above the 95% mark, which is great. It’s a trend across the state and even the country that attendance drops off at this time of year with cold and flu symptoms. Parents, you are doing a great job in getting your children to school, thanks and keep up the good work. Our class competition currently looks like this:

Below are the final results for this term:

1st - 5/6J

2nd – 4/5F
3rd – 3/4M and 3/4B  
4th – 6C  
5th – 2W  
Well done everyone, we’ll have some kind of competition again next term, good luck!

**Clermont SS sport’s day**

Well done boys, girls, parents and caregivers for making sports day such a success. Congratulations to our new record holders:

*A good teacher can inspire hope, ignite imagination and instil a love of learning* - Bard Henry
The overall house winner was Armstrong House! Congratulations everyone who came along and had a go and thanks to our parents and carers for making it a great day. A big thanks to staff, Mrs McLaughlin and Ms Arrowsmith in particular, who helped make it such a great day.

The Peak Downs sub district sports day will be held on June 24th at Clermont sport’s fields.

‘Undie Drive’ for McDonalds House – 200 pairs and counting

Calling all parents: we need undies, knickers, briefs, jocks, Reg Grundies, whatever you call them, we need them! A great initiative started by the Looker family is quickly gathering momentum at Clermont SS. Mrs Looker has an association with McDonald House and has been looking at ways to support the worthwhile charity. Often people staying at McDonalds House leave their homes quickly to be with their children whilst they are in hospital. In fact some people are so ill prepared for the ordeal (and understandably so) that they don’t even get the chance to pack a bag, meaning that they are without the ‘bare’ essentials. McDonalds House often have clothes that they can share with families during their stay. Mrs Looker asked volunteers at McDonalds House how she could help and the message came back loud and clear: ‘We need undies!’ And so started the great ‘Undie Drive’. Already the campaign has donated 200 pairs of jocks for the cause and we’re hoping to donate a lot more! If you’d like to help out drop off a pair of new undies at the school office and help a family who is doing it tough to at least have access to the bare essentials during a really difficult time. Thanks for your support.

Office opening hours

Next term we are going to implement new front office opening hours. As I’m sure many of you would be aware and able to appreciate, the front office can get extremely busy and we’d like to streamline processes by asking people to complete business at designated hours. Opening hours from term 3 will be from 8.15 to 3.30pm daily. I am confident that if we keep our business with the front office to those key times, processes will be streamlined and everything we need to get done, will get done! I look forward to your support on this.
Report Cards – today
It’s that time we have all been waiting for, student report cards have been distributed today. Make sure you ask your child for it when they get home today.

If you have any educational issue you’d like to discuss please come and see us at administration.

MESSAGES FROM THE HEAD OF CURRICULUM – WEEK 10

Spotlight on Mathematics – Number Lines for Comparing Size

One of the most important concepts that kids need to develop in maths is a sense of “roughly how big” numbers are compared to each other. Kids who think that $100 is a huge amount of money rather than understanding that it is big compared to $10 and pretty small when compared to $1000, will be likely to have trouble working out how to budget effectively when they start earning a real income.

What can you do at home?

*Use a measuring tape to measure lengths of string or tape. Give your child a piece of string or thread 100cm long and another 10cm long. Ask them to measure anything they want in the house – how many of each string does it take to measure your hallway, the door, yourself? Feel free to call 100cm a metre, but make sure your child knows that you are talking about 100cm. As you compare the lengths, talk about how big they are compared to the 100cm – are they much smaller, about half way, almost the same length or over 100cm?

*When talking about money, ask your child what dollar value an amount is closest to (e.g. $1.90 is closer to $2 than $1).

*For something trickier, use string to measure the length of different objects between 20cm and 2m (e.g. the circumference of their own head, the width of the doorway, the length of their bed). Ask your child how long they think the string is. You might want to measure their arm span so that they can use this as a gauge to make their predictions. Then get a measuring tape and check. How close did they get? Aim for within 20cm for objects longer than 1m.

Typically, students should be working on the above things throughout Year 2 and should have mastered these things by the end of year 3. If you find your child struggles to complete most of the above tasks (particularly if they are now in year 4 or above), make a time to talk to your child’s teacher about other ways we can work together to help them make improvements with their mathematics.

Hello, hello!

A big thank you to all who were able to attend last week's P&C meeting - it was very productive!

One of the items on the agenda was to obtain more fridges for the classrooms as there is a shortage on fridge space for student lunch boxes. The P&C is committed to purchasing these fridges however, before committing funding we'd like to ask the school community if anyone might have a second hand fridge in good working condition which could store up to 28 lunchboxes.

Please give the ladies in the school office a call if you think you may have something suitable.

Regards,

Leah Archibald

CSS P&C President.
Hello everyone,

TOMORROW, Wednesday, 24th of June, is the Peak Downs Athletics Carnival which will be held at the Clermont Sports oval. CSS & St Joseph’s are running the tuckshop there and we would love some helpers! If your child will be competing that day we’d love to see you there supporting our young athletes and our school communities! Call Kristy on 0448523200 if you can help.

Classroom Helpers & Tuckshop Volunteers - Signing in

Our school is fortunate enough to have generous parents that donate their time to helping out in various areas of our school.

If you are helping out or visiting the school between the hours of 9am to 3pm for any reason your MUST SIGN IN AT THE OFFICE. You will be given a visitors badge and you MUST SIGN OUT as you leave.

If you are working in the Tuckshop please SIGN IN & OUT of the register in the tuckshop.

This is to ensure that everyone on school grounds can be accounted for at all times.

A big thank you again to our helpers, our school community appreciates you contributions.
Show you care, donate a pair for Ronald McDonald House

When there is an accident or a traumatic event some families leave with just the clothes on their backs in a rush with their sick or hurt child and end up at Ronald McDonald House in Townsville. Ronald McDonald House often receives donations of clothes for people in these situations, but they don't receive donations of NEW underwear. We are asking people to donate a NEW pair of underwear – men, women's or children's any size shape or colour. Please drop all donations at either of the Clermont Primary Schools in our collection boxes.

My family received unforgettable help from this awesome organisation in 2013/2014 for the 15 weeks we stayed at RMH when our twins were born nine weeks early. Our daughter was born with Oesophageal Atresia and has a lengthy tough battle ahead involving major surgeries. Without RMH I don't know what our family would have done, when home was over 500kms away. They even supplied Christmas presents to our children when we had to spend Christmas at the hospital.

RMH supplies meals and food in communal kitchens, toiletries, clothes, hotel like accommodation, movie nights for the kids, donated tickets and vouchers to events in Townsville for the families as well as so much more. Without Ronald McDonald house, families of sick children would have so much more to deal with instead of being able to focus on their child.

Thank you Georgina Loker.
Hi..
I have an exciting update for the Show you Care RMH undies appeal.. We have got 200 undies so far, but I know we can get more!! We also have about 160 disposable nappies & 10 toothbrushes that have been donated as well as a bag of baby clothes..
The Clermont Rag has kindly done a story on the appeal for us also, so check it out...
Thank you everyone for your knickers, keep up the good work. I have included a tally of the sizes we have received so far too...

Regards, Georgina

Year 6 Parent/Caregiver Information Evening

On **Thursday 23rd July** an information evening will be held at Clermont State High School from **6.00pm to 7.00pm** for the parents and caregivers of all students currently in Year 6.

The evening will provide an opportunity for parents, caregivers, Year 6 teachers and students to meet key Junior Secondary staff and to learn more about what our school can offer your children in 2016.

We look forward to welcoming you to Clermont State High School.
