GENERAL PERMISSION FORM FOR STUDENT ACTIVITIES

We are asking parents/caregivers to sign the form below which will give permission for their child/children to attend school based activities which take place in the school from time to time throughout the year. Details of such activities will be advised via our weekly Newsletter and parents will need to advise the school in writing if they DO NOT WANT their child/children to attend the particular activity.

Regarding activities for which we request a parent contribution:
Unfortunately, if we have not received payment for such activities, either by payment of the school fee or payment as each individual activity arises, students will not be allowed to attend.

Regards

Adam Poulus
Principal
