Dear Parents/Guardians

Each year the Clermont State School P & C Association commit to fundraising for our school. We contribute to school resources and facilities, supporting students achievements in and out of the school (eg. gotcha awards and books at awards presentation) and run the tuckshop and uniform shop facilities for all students, staff and parents along with assistance for numerous other things from year to year.

To be able to provide the school and the community with these fantastic opportunities and support we fundraise by holding student discos, selling raffle tickets, providing helpers, catering and holding stalls at community events.

To be able to do this successfully each year we need the support of our students and their families. If you are interested in helping in anyway please come along to our meetings which are held on the second Monday of each month in the library at 5pm. We would also like to compile a list of parents, student names and the classes they are in to help us coordinate helpers and to send tickets home. Please note we would only send one book of 10 or 20 tickets home to each family for each raffle held by the P & C.

This form is designed to be completed once by each family. You will be placed on our fundraising list each year unless you give a letter into the school office stating that you wish to be removed. At the beginning of each year the office will update us with your child’s new class as well as any new siblings starting school. Please complete the following with your family’s current information and return to the school office as soon as possible.

Regards

Clermont State School P & C Association
